PROFILE

I'm a technical SEO who builds. At respond.io I keep a **13-language site** easy for Google and AI assistants to crawl, read and cite, and I build the automations behind our marketing: **Profound agents, Zapier workflows, Cloudflare Workers and Claude plugins**. I work from root causes and I verify every fix in production. Before respond.io I ran SEO across **14+ markets** at Limepack, where organic grew to **30% of inbound pipeline**.

EXPERIENCE

Oct 2025 – Present

Senior Technical SEO & AEO Specialist

respond.io · B2B customer conversation platform · Kuala Lumpur Martech & Growth

Relocated to Kuala Lumpur, Malaysia by respond.io with **full visa sponsorship** (work permit)

- Own technical SEO, AEO and AI-crawler strategy for a **13-language site across 18 markets**.
- Build the marketing automation behind it: **33 builds in 2026** across **Profound agents, Zapier, Cloudflare Workers and Claude**.
- Replaced an agency's Reddit workflow with my own agent pipeline that finds threads, scores them, drafts replies and logs every verdict.
- Built the AI-search program from zero: **Profound** with prompt-set governance, a **243-query citation audit** and AI-bot analytics at the edge.
- Shipped a Claude plugin of five content skills that every blog outline and draft passes through, installed for the whole company.
- Removed disallowed schema from **13,286 pages** and set the JSON-LD @graph architecture for 4,394 blog URLs.
- Keep the site at Ahrefs Health Score **99+ on 161 of 164 days**; took the mobile homepage from **33 to 91** on PageSpeed with Frontend.
- Own CrowdIn for marketing localization and run the Arabic SEO program with company-wide terminology standards.

Aug 2024 – Sep 2025

SEO Specialist & Content Strategist

Limepack · branded takeaway packaging across Europe · Denmark

- Owned SEO across **14+ markets** and directed Tier-1 agencies Peak Ace and NOVOS on a six-figure budget.
- Grew organic impressions and clicks by **250%** and secured **340+ top-3 rankings**.
- Made SEO **30% of inbound pipeline** and cut paid acquisition costs by more than 23%.
- Created the industry's first Takeaway Packaging Glossary, 200+ terms built for long-tail demand.

Mar 2023 – Jun 2024

Digital Media Manager, Cross-Channel

Hit Radio · Morocco's No. 1 music radio · Rabat

- Led a **five-person team** of content creators, a designer and a developer, and ran SEO.
- Grew impressions and clicks by **250%** and visibility by 25%; reported monthly to executives and trained junior staff.

Aug 2022 – Mar 2023

Project Manager, Marketing & Communication

Pavlova · culinary marketing agency · Morocco

- Ran brand campaigns for Carrefour, Panzani and LVQR across content, SEO and delivery.

Jan - Jun 2022

Team Leader, Professional Immersion Program
McKinsey & Company · Morocco

- Led a five-person team on a profitability case with issue trees and root-cause analysis; our recommendations delivered a +4% revenue uplift.
